ONLINE VIDEO RENTAL SERVICE

BUSINESS INSIGHTS
FOR 2020
MARKETING CAMPAIGN

PROJECT MOTIVE AND OBJECTIVES:

Rockbuster Stealth, LLC. is a movie rental company that used to have stores around the world.

Facing stiff competition from streaming services such as Netflix and Amazon Prime, the management team is planning to use its existing movie licenses to launch an online video rental service in order to stay competitive.

KEY QUESTIONS:

- 🎬 Which movies contributed the most/least to revenue gain?
- 🎬 What was the average rental duration for all videos?
- 🎬 Do sales figures vary between geographic regions?
- 🎬 Which countries are customers from?
- 🎬 Where are our customers with a high lifetime value base?

SUMMARY

Based on the statistical findings, the average spending cost is \$2.98 with a 5 days rental duration.

The most favorable film ratings and genres are as follows:

RATING PG-13, NC-17 and PG

GENRE Sports and Animation

Asia is the most profitable region with a top-count client base in China and India.

RECOMMENDATIONS

Investigate micro and macro settings within China, India and its surrounding areas to boost business prospects within the regions. Offering services that would fit cultural differences may help encourage new and old clients to optimize services.

Leveraging the highest on-demand film ratings and genres while looking into expanding inventories to widen selections.

Lastly, incentivizing top-spending customers will support client rapport and the opportunity to offer new services that may fit their interests (*i.e. discounts, credit for a minimum amount spent, etc.*). Additional analysis of high-performing countries can convey useful insights for effective promotional tactics. This is to understand consumer demands and replicate successful operations to other potential target audiences.
